

VINCENT YANG (He/Him/His)

qyang23@ur.rochester.edu • (585) 303-5668 • <https://vincentyang1998.github.io/>

EDUCATION	University of Rochester <i>Master of Science in Finance (STEM)</i> • GPA: 3.58/4.0 • GMAT: 760/800 (Verbal 93% / Quantitative 97% / Total 99%) • Main Courses: Theory of Finance (PhD Course), Quantitative Finance with Python, Corporate Finance, Financial Statement Analysis and Valuation, Fixed Income Securities, Options and Futures with Python	Rochester, NY Dec 2023
	Hunan University of Finance and Economics <i>Bachelor of Management in Auditing</i> • GPA: 3.26/4.0 • Main Courses: Advanced Financial Accounting, Auditing, Management Accounting, Probability Theory, Linear Algebra, Statistics, Calculus, Econometrics, Principles of Economics (Macro- and Microeconomics)	Changsha, China May 2020
ACADEMIC EXPERIENCE	Accounting Journals Project Research Assistant <i>Supervised by Professor Charles E. Wasley</i> • Collected textual data from 20 accounting journals using web scraping techniques into spreadsheets. • Addressed ad-hoc challenges, improved code performance, proofread data, and wrote “Brief Guide for Web Scraping from Accounting Journals” for internal use and training.	Rochester, NY Oct 2023 - Present
	Applied Finance Project: Two Behavioral Factors and Their Performance under Transaction Costs Constraints <i>Guided by Professor Robert Novy-Marx</i> • Identified anomalies in psychological biases, such as overconfidence and limited attention, through a literature review, and revealed their impact on securities mispricing. • Designed, created, and tested long-short portfolios to capture FIN and PEAD factor performances, and expand the analysis to include transaction costs for a comprehensive evaluation.	Rochester, NY Jan 2023 - May 2023
WORK EXPERIENCE	Simon Business School <i>Academic Tutor</i> • Provided one-on-one tutoring to 10 MBA and fellow students who needed additional assistance in Investment, Financial Statement Analysis and Valuation, Options and Futures with Python courses. • Collaborated with the professors to align tutoring sessions with the course curriculum.	Rochester, NY Mar 2023 - Present
	Huisheng Management Consulting <i>Forensic Due Diligence Analyst</i> • Conducted 2 short-selling (one company delisted from Nasdaq) investigations and 11 due diligence projects. • Performed interviews and cross-validated financial versus non-financial data to proactively prevent fraud and restore fair enterprise value.	Beijing, China Sep 2020 - Jun 2021
	General Electric <i>Financial Controllership Intern</i> • Assisted in weekly trading updates and monthly accounting close reports with clear visualization of results, using SQL and Tableau to process data, decreasing time from 1 days to 2 hours.	Shanghai, China Jan 2019 - Apr 2019
	Bosch <i>Purchasing Quality Assurance Intern</i> • Communicated with clients and recorded automotive product quality issues, and ensure related departments receive detailed and immediate information, 97% inner and outer just-in-time response satisfaction rate.	Changsha, China Jan 2018 - Apr 2018
LEADERSHIP EXPERIENCE	Simon Spectrum (LGBTQIA+ DEI Club) <i>Master Representative</i> • Enhanced Spectrum's role in student life by leading initiatives, including organizing a World AIDS Day Info Table and LGBTQ+ Ally questionnaires. • Collaborated with other school LGBTQ+ clubs to organize the first on-campus Drag Show, raising \$1375 for Center for Youth.	Rochester, NY Oct 2022 – Nov 2023
