ACADEMIC EXPERIENCE

Accounting Journals Project Research Assistant — Rochester, NY
Supervised by Professor Charles E. Wasley — *Oct 2023 - Present*
- Collected textual data from 15 accounting journals using web scraping techniques into spreadsheets.
- Addressed ad-hoc challenges, proofread and edited data, and enhanced code performance, including batch downloading of documents for local text extraction.

Applied Finance Project: Two Behavioral Factors and their Performance under Transaction Costs Constraints — Rochester, NY
Guided by Professor Robert Novy-Marx — *Jan 2023 - May 2023*
- Identified anomalies in psychological biases, such as overconfidence and limited attention, through a literature review, and revealed their impact on securities mispricing.
- Designed, created, and tested long-short portfolios to capture FIN and PEAD factor performances, and expand the analysis to include transaction costs for a comprehensive evaluation.

WORK EXPERIENCE

Simon Business School — Rochester, NY
Academic Tutor — *Mar 2023 - Present*
- Provided one-on-one tutoring to 10 MBA and fellow students who needed additional assistance in Investment, Applied Financial Statement Analysis, Options and Futures with Python.
- Collaborated with the professors to align tutoring sessions with the course curriculum.

Huisheng Management Consulting — Beijing, China
Forensic Due Diligence Analyst — *Sep 2020 - Jun 2021*
- Conducted 2 short-selling (one company delisted from Nasdaq) investigations and 11 due diligence projects.
- Performed interviews and cross-validated financial versus non-financial data to proactively prevent fraud and restore fair enterprise value.

General Electric — Shanghai, China
Financial Controllership Intern — *Jan 2019 - Apr 2019*
- Assisted in weekly trading updates and monthly accounting close reports with clear visualization of results, using SQL and Tableau to process data, decreasing time from 1 days to 2 hours.

Bosch — Changsha, China
Purchasing Quality Assurance Intern — *Jan 2018 - Apr 2018*
- Communicated with clients and recorded automotive product quality issues, and ensure related departments receive detailed and immediate information, 97% inner and outer just-in-time response satisfaction rate.

LEADERSHIP EXPERIENCE

Simon Spectrum (LGBTQIA+ DEI Club) — Rochester, NY
Master Representative — *Oct 2022 - Present*
- Enhanced Spectrum's role in student life by leading initiatives, including organizing a World AIDS Day Info Table and LGBTQ+ Ally questionnaires.
- Collaborated with other school LGBTQ+ clubs to organize the first on-campus Drag Show, raising $1375 for Center for Youth.
